In June 2022, a new dawn breaks,
Kusama shines with dreams it stakes.
Through auctions and the tech they build,
A vibrant realm, with hope fulfilled.

Secure and swift, where dreams belong.
Through stormy markets, KSM stands,
A beacon bright in shifting sands.

Kabocha's spark, the DAOs ignite,
Innovate in the digital night.
Developers' hands mold the clay,
A future bright in their display.
Market waves may rise and fall,
Yet Kusama answers the call.
With courage bold, it sets its pace,
A dynamic force in blockchain's race.

In June 2022, a new dawn breaks,
Kusama shines with dreams it stakes.
Through auctions and the tech they build,
A vibrant realm, with hope fulfilled.

In every code, a beating drum.
Kusama's heart will never slow,
A cosmic dance, forever flows.
