

'22 Kusama

Chorus:

In December '22, Kusama soared,
Through blockchain skies, dreams restored.
Canary cries in digital flight,
Crafting futures in coded light.

Verse 1:

Governance reborn, the stratosphere,
Asynchronous paths becoming clear.
Treasury's plans, a bold new dawn,
Transaction flows, a world reborn.
Parachains bidding, a vibrant dance,
Turing's triumph, a new romance.
Sakura paves the DeFi road,
Cross-chain whispers, stories told.

Chorus:

In December '22, Kusama soared,
Through blockchain skies, dreams restored.
Canary cries in digital flight,
Crafting futures in coded light.

Verse 2:

KSM's rise on turbulent tides,
Peaking high where the value hides.
Developers shape a brave new land,
Zero-knowledge dreams, wisdom's hand.
Roadmaps drawn for futures bold,
Quantum-proof signatures unfold.
Web3 vision in Kusama's embrace,
Innovation drives a rapid pace.

Chorus:

In December '22, Kusama soared,
Through blockchain skies, dreams restored.
Canary cries in digital flight,
Crafting futures in coded light.
