November 2019 carved its name,

To a proof-of-stake world, where voices rise.,  
The Web3 Foundation let the reins fall,  
And governance bloomed for one and all.,

Oh, Kusama, in the blockchain's embrace,  
November 2019 set the pace.,  
With parachains and KSM's might,  
We venture into the endless night.,

Parachain auctions, arenas of dreams,  
Karura and Moonriver light up the streams.,  
400,000 blocks, a testament true,  
In the heart of Kusama, we see the future's hue.,  
A bustling community grows here in time,  
With councils and discourse, a rhythm and rhyme.,  
Kusama's spirit in Rococo's light,  
In innovation's name, we take flight.,

Oh, Kusama, in the blockchain's embrace,  
November 2019 set the pace.,  
With parachains and KSM's might,  
We venture into the endless night.,

Bridge:,  
Gavin whispers, with hope in his eyes,  
"A scalable world, beyond the skies.",  
Cross-chain messaging, a promise so bright,  
In Kusama's hands, we find the light.,

Outro:,  
As 2019 fades into tomorrow's view,  
Kusama stands, bold and true.,  
A canary leading the charge ahead,  
In blockchain's sea, where dreams are spread.,  
Chorus:,

Oh, Kusama, in the blockchain's embrace,  
November 2019 set the pace.,  
With parachains and KSM's might,  
We venture into the endless night.
