

'25 Kusama's

Verse 1:

In the heart of March '25,
Kusama's star began to rise,
Governance shifted, a bold new way,
HyperScale's power led the dance,
Transactions flew, a tenfold chance,
Dr. Wood's vision lights the day.

Chorus:

Building bridges, blockchain dreams,
Kusama's fire in the seams,
Innovate, elevate, future untold,
In a digital world, new stories unfold.

Verse 2:

Parachains bid for a place to grow,
DecentAI leads, with bright eyes aglow,
KSM rides the market's sea,
Amidst the highs, amidst the lows,
ZeroTrace whispers secrets unknown,
Kusama weaves its destiny.

Chorus:

Building bridges, blockchain dreams,
Kusama's fire in the seams,
Innovate, elevate, future untold,
In a digital world, new stories unfold.

Bridge:

Cross-chain paths, Kusama's call,
A stablecoin dream to end it all,
Decentralized future, roadmaps to see,
Crafting a world where we're all free.

Chorus:

Building bridges, blockchain dreams,
Kusama's fire in the seams,
Innovate, elevate, future untold,
In a digital world, new stories unfold.

Outro:

In the heart of March '25,
Kusama's journey comes alive.
